

2021 Foundation Enrolments - Due Now!

Athol Road Primary School is a neighbourhood school. Parents/carers can check whether their address is in the school's neighbourhood on [findmyschool.vic.gov.au](https://www.findmyschool.vic.gov.au) which gives up-to-date information about Victorian school neighbourhoods.

Students whose permanent residential address is in the school's neighbourhood are guaranteed a place at Athol Road Primary School.

The Department of Education provides guidance through the [School Placement Policy](#) to ensure that students have access to their designated neighbourhood school and the freedom to choose other schools, subject to facility limitations. Further information and answers to frequently asked questions can be found on the Department's website under School neighbourhoods.

If you are not in the school neighbourhood and wish to be placed on a waiting list, or for if you have any questions or would like any addition information, please contact the school office on **(03) 9547 1224** or via email at athol.road.ps@education.vic.gov.au
